

Name: Mozhgan Sabet Teimouri

Tel: +989155113105

Email: ecotijdm@gmail.com

RESEARCH INTERESTS:

1. **Eco-physiology of Medicinal plant**
2. **Determined of Carrying Capacity and potential of tourism destination**
3. **Ecotourism, Geo-tourism, Nomadic tourism and nature based tourism**
4. **Ecology, Environmental Disaster, Environmental Assessment of Water Resources Development**
5. **Spatial planning, future studies**

EDUCATION:

Phd. Degree: Ecology; Ferdowsi University of Mashhad, IRAN.

M.Sc. Degree: Agriculture, Agronomy; Ferdowsi University of Mashhad, IRAN. 7

B.A. Degree: Agriculture, Agronomy and Plant Breeding; Agricultural Science and Natural Resources & Ferdowsi University of Mashhad, IRAN.

ADMINISTRATION

- Member of Health Tourism Committee, Iranian Ecotourism Scientific Association
- Founding member and Directors Board of Iranian Ecotourism Scientific Association
- Vice chairman and member of Tourism Commission of Khorasan Razavi Chamber of Commerce
- TourismInstitute Education Officer, instructor and ACECR, Iran
- Head of Agricultural and Rural Tourism Working Group ,Tourism Commission of Khorasan Razavi Chamber of Commerce
- Scientific Secretary and executiveof the Souvenir Conference for Khorasan Razavi
- Academic member ofthe Athens Institute for Education and ResearchGREECE ,(ATINER)
- Reviewers' Board of Athens Journal of Sciences.
- Member of the Editorial Board forApple Academic Press
- Head of Urban Planning Group of Mashhad branch, ACECR, Iran (1 year).
- Head on Department of management and planning for Tourism, Research Institute for Tourism, ACECR, Khorasan Razavi, Iran (2 years).
- Member of Scientific Committee of Tourism Institute, ACECR, Khorasan Razavi, Iran.

- Member of Scientific Committee on Department of management and planning for Tourism, ACECR, Khorasan Razavi, Iran.
- Think-tank member in Research Center of the City Council, Iran.
- Think-tank member in Shandiz and Torqabeh municipalities, Iran.
- Official court expert in environmental affairs (Expert of the Judiciary)
- Researcher in ACECR, Iran.
- Professional supervisor and project manager for landscape (paradise) for Ferdowsi University of Mashhad, Iran.
- Colleague on Spatial Planning Studies for Khorasan Razavi Province, Iran.
- Head of environmental group of spatial planning studies for Khorasan Razavi province (complementary phase), Iran.
- Head of Strategic planning part of spatial planning studies for Khorasan Razavi province (complementary phase), Iran.
- Expert of health journal of cross-border Dari Radio.
- Executive director of the Botanical Garden of Ferdowsi University of Mashhad, Iran.
- Head of the Research Institute for Plant Field Science Research for Ferdowsi University of Mashhad. Iran.
- Professional question bank. tvto. Khorasan Razavi, Iran.

SKILLS and QUALIFICATIONS

- Geo-Tourism Interpreter and Geo-Tourism Tour Guide.
- Other language: English, A little Douche.
- GIS Software, MATLAB Software, 7 skills of ICDL (excel, PowerPoint, Word, Access, IT, windows and documents management, Internet Explorer, Endnote), Advance Computer Operation, Yoga, Mountain climbing, bike riding, rafting, Photography, metal designing, painting and....

REFEREES

- PhD. Empowerment of local population in planting medicinal plants, in order to participate in the sustainable management of ecological natural resources (Case study: the area of Darkesh, North Khorasan Province)
- M.Sc. Environmental Assessment of Shandiz river
- M.Sc. Environmental Spatial Planning in Typical rural of tourism in South Khorasan province
- M.Sc. Investigate the effect of nano-filtration membrane using on reduction of Blankyt in sugar syrup
- B.Sc. Influence of sowing depth and corm size of 4 Endemic saffron corm on stigma yield in Mashhad condition
- Member of scientific Committee on new conference of the world in 4th decade. 2016. Iran Gilan.

- Member of scientific Committee on 2nd conference of the management and economic. 2016. Iran. Mazandaran.
- Member of scientific Committee on first international conference of IRI Scientific and sustainable Tourism Development. 2015.
- Executive of the first international conference of IRI Scientific and sustainable Tourism Development. 2015.
- Referee of the first international conference of IRI Scientific and sustainable Tourism Development. 2015.
- Member of scientific Committee on national conference of Sustainable development. Ardabil. Iran. 2015.
- Member of scientific Committee on national conference of geography and environment. Tehran. Iran. 2015.
- Member of Geography association.
- Member of Biodynamic Association.
- Member of ISHS.
- Member of Organic Association.
- Member of Bio-pesticides Association.

TEACHING

- Rural Tourism Planning (M.Sc.)
- Environmental effect of water resources development (M.Sc.)
- Land space planning (M.Sc.)
- Human and Environment (B.Sc.)
- Landscape Ecology (B.Sc.)
- General Ecology (B.Sc.)
- Sea and Lakes Ecology (B.Sc.)
- Botany (B.Sc.)
- Sustainable Landscape (Eco-Park) (B.Sc.)
- Medicinal plants (7 various courses) (B.Sc. & Graduate Studies)
- Agriculture courses (6 various courses) (B.Sc. & Graduate Studies)
- Entrepreneurship courses & Agronomic advisory (B.Sc.)
